

Celebrating Our Success: Wisconsin Places 5th in DAV National Standing in the LVAP Recognition Program

Dear Comrades,

I am thrilled to share some exciting news with you! Thanks to your unwavering dedication and hard work, last year Wisconsin achieved an impressive 5th national standing in the DAV Local Volunteer Assistance Program (LVAP) Recognition Program. This remarkable accomplishment is a testament to the collective efforts of our volunteers who tirelessly support our veterans, our survivors and our families.

The LVAP Recognition Program is designed to honor and acknowledge the incredible contributions of our volunteers. By participating in LVAP, you are not only making a difference in the lives of veterans but also helping to elevate our state's standing on a national level. Your commitment to service, whether through chapter service officer work, outreach efforts, fundraising, or direct assistance to veterans, is truly inspiring.

Like I wrote last month, every hour you volunteer is a step towards creating a positive impact. Whether you are helping a veteran navigate benefits paperwork, assisting with yard work, taking a veteran grocery shopping, participating in a fundraiser, serving food at a StandDown, or visiting a veteran in the hospital, your efforts are making a difference. The camaraderie and support within LVAP are unparalleled, and together, we are building a healthier community and a stronger nation.

To maintain our outstanding national standing and continue to make a significant impact, it is crucial that every chapter accurately record and submit their volunteer hours every month.

Here are some important reminders:

Monthly [Reporting Form 60](#) must be emailed by the 5th of each month for the previous month's hours. For example, August hours should be reported by September 5th.

When you send your report, please copy your report to me, or need assistance at widav19koehler@gmail.com.

As we celebrate our achievements, let us also look forward to the future with renewed enthusiasm. The LVAP Volunteer Recognition Program offers an opportunity to acknowledge the hard work and dedication of our volunteers.

Your commitment to LVAP is making a profound difference in the lives of veterans, our families, and our survivors. Let us continue to turn our hours into stories and our shared experiences into hope.

Keep joining LVAP on the frontlines in your communities to help those in need, and together, we will make every hour count.

With gratitude!
