

National Service Office is still closed, but DAV WI NSOs are busy

Due to the recent upsurge of COVID-19, the DAV Service Office in Milwaukee is still closed to the public. However, we are working remotely from home. You can reach us online by sending an email to dav.vbamiw@va.gov at any time.

We will help you file a claim and stick with you all through the process, because no veteran should have to go at it alone. Our services are free of charge.

You can also speak to a National Service Officer Monday through Friday, 8 a.m. to 3 p.m. Central Time by call 888-604-0234. Be aware if you use this option, your claim will be sent to the first available DAV National Service Office, meaning that it will most likely be processed in an out-of-state National Service Office.

I am pleased to announce our office staff – Karen Mielke and Valerie Goodman – are back working. They are taking overflow calls to the national line (888-604-0234). They forward the information to the state National Service Office the caller resides in.

The number of COVID-19 are dramatically increasing. Stay safe!
