

## November LVAP Report

Greetings to all:

I would like to thank all who attended my November 5th Webinar on the use and completion of new National Form60. I would like to remind all Adjutants and LVAP Coordinators that I welcome a copy of their monthly submissions for my records, and they should also submit a copy to National HQ at [vavs@dav.org](mailto:vavs@dav.org).

DAV National now only keeps open monthly LVAP submissions **until the 5<sup>th</sup>** of the following month, and statistics were made available to me on 11-3-2020 for the October 2020 Wisconsin LVAP hour . Here are the October 2020 totals:

### National (the entire USA) LVAP Statistics for October 2020

- 1st place South Carolina 21,246
- 2nd place North Carolina 7,858
- 6th place Wisconsin 3,048

### Division Leaders: October 2020

- 1st place Wisconsin 3,048
- 2nd place Indiana 1,171
- 3rd place Arkansas 661

### Department (Wisconsin chapters) Leaders in Sept 2020 :

**Chapter Service Office Work** – Chapter #24 18 hours  
**DAV Outreach** – Chapter #24 82 hours  
**Department Service** – Chapter#27 8 hours  
**Fundraising** – Chapter#24 172 hours  
**Grassroots / Legislative** – Chapter#51 3 hours  
**LVAP** – Chapter #24 608 hours  
**Special Events** – Chapter #51 177 hours  
**Veteran Assistance** – Chapter #24 1,980 hours

In all honesty there was a huge majority of states that did **not** submit LVAP hours or missed the deadline.

National is planning another Webinar to train 'step-by-step' on Form60 and to show Excel tips and tricks. The date **is Wed Nov 18 at 1 p.m. CST.**

Send Form60 to the National HQ directly at [vavs@dav.org](mailto:vavs@dav.org), and a copy to me for my records.

My home phone number 715-678-2945 has messaging, so I can return your calls to answer your LVAP questions.

My email is [jaws65x55@charter.net](mailto:jaws65x55@charter.net). I try to promptly answer when contacted.

Respectfully Submitted:

John 'Jaws' Willman
