

## **Having an Information Seminar is a great to attract new members!**

Not only are Information Seminars free and can spread the way how DAV can assist with veterans' benefits, but they are also a great tool to attract new members.

Once a Chapter sends a location, date, and time to the DAV National Service Office in Milwaukee, we will mail an invitation to all eligible veterans in your Chapter area, many of whom are not DAV members. The Seminars are potentially a great way to sign up new members. Be aware, the Office will require a 60-day notice to do this properly.

A reminder – Information Seminars are free. They are presented by DAV National Service Officers (NSOs) who are experts on veterans benefits and provide the best counseling on disability claims filing that a veteran can get. Each seminar lasts about 45 minutes and is followed by a question-and-answer session.

We, the NSOs in Milwaukee Office, are anxious to do Information Seminars for DAV Chapters located in Wisconsin. We do all the work. All you need to do is send us the location, date, and time.

This is a win-win for everybody. We get to perform our Mission by helping veterans file a disability claim and the Chapter has the opportunity to recruit new members.
