

DAV managed golf course at Tomah VA campus needs volunteers

The Jason Simcakoski Memorial Golf Course located on the Tomah VA campus is looking for additional Volunteers to assist in maintaining the course. If interested, contact Voluntary Services at 608-372-1727.

The Course is a collaborative effort between Tomah VA, the Jason Simcakoski Foundation, and DAV. According to Course Manager Rob Hilliard, “Once the city connects the water to the course, we anticipate opening around mid-May. Volunteers are always welcomed.”

Golf is considered an alternative and relaxing therapy for many veterans. Here is a great way to help our heroes. Call Jen at 608-372-1727. Thanks.
